

CACAO TRACE

Tracing bitter truths in the Cacao chain

CACAO BELT

PROBLEMS:

SUPPLY MANAGEMENT

- Lack of transparency on the cacao chain, as it can span different continents involving multiple actors.

INTERMEDIARIES

- Inflating costs by as much as 200% (*Sortida,2000*)

QUALITY CONTROL

- Farmers overstate the quality of their cacao.

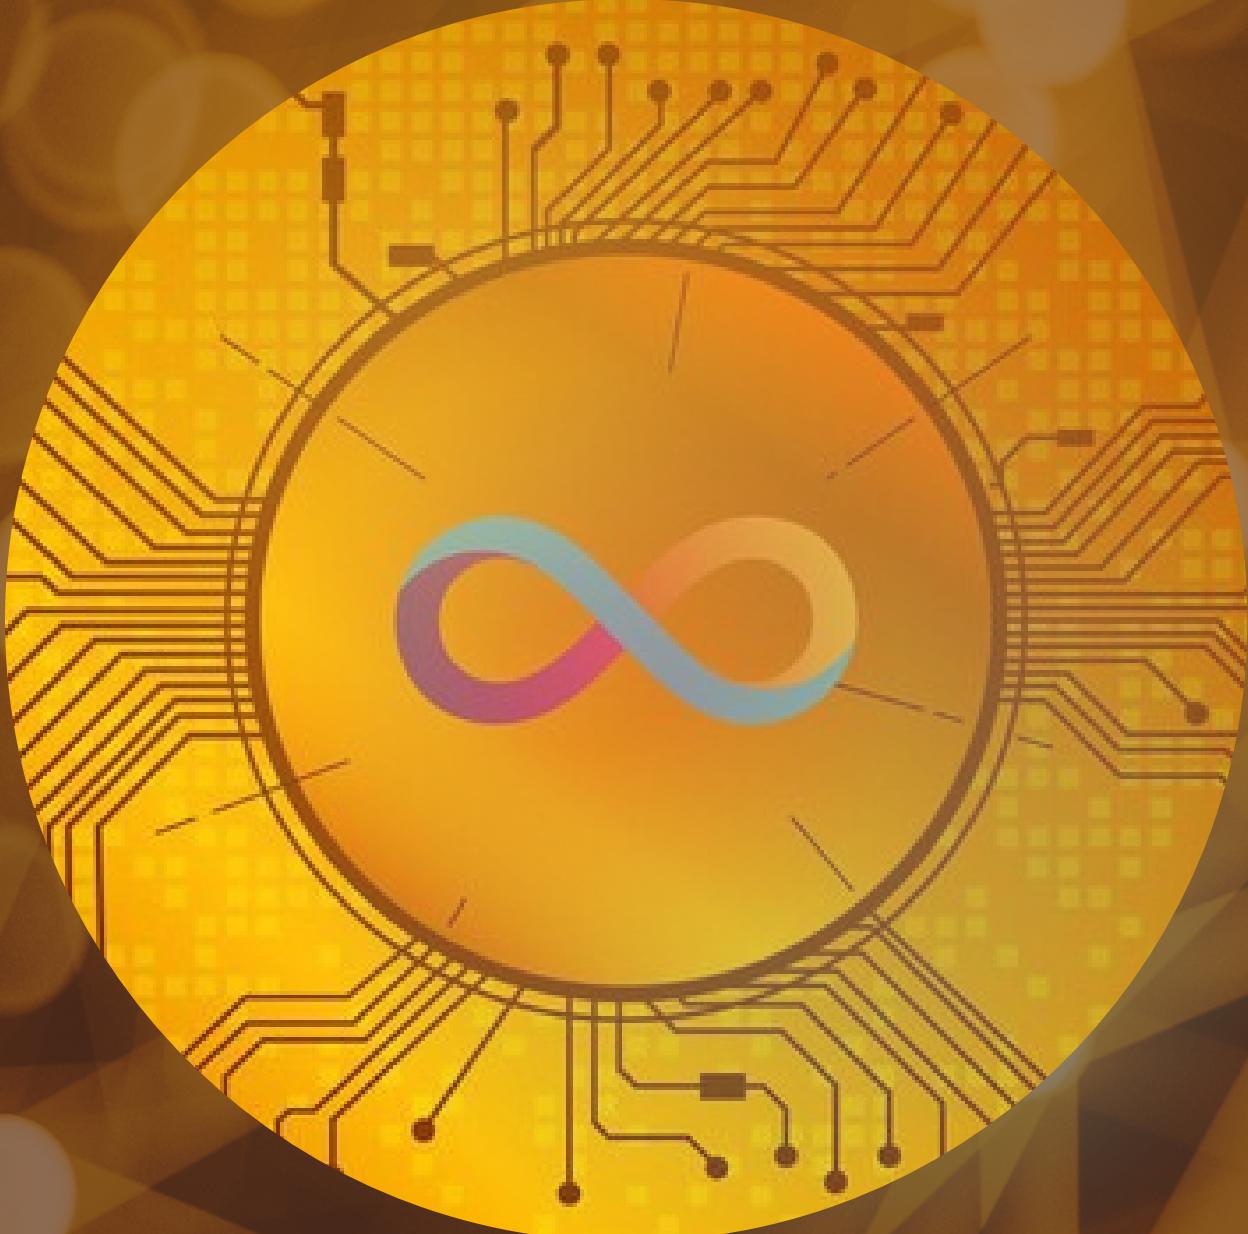

COUNTERFEIT PRODUCTS

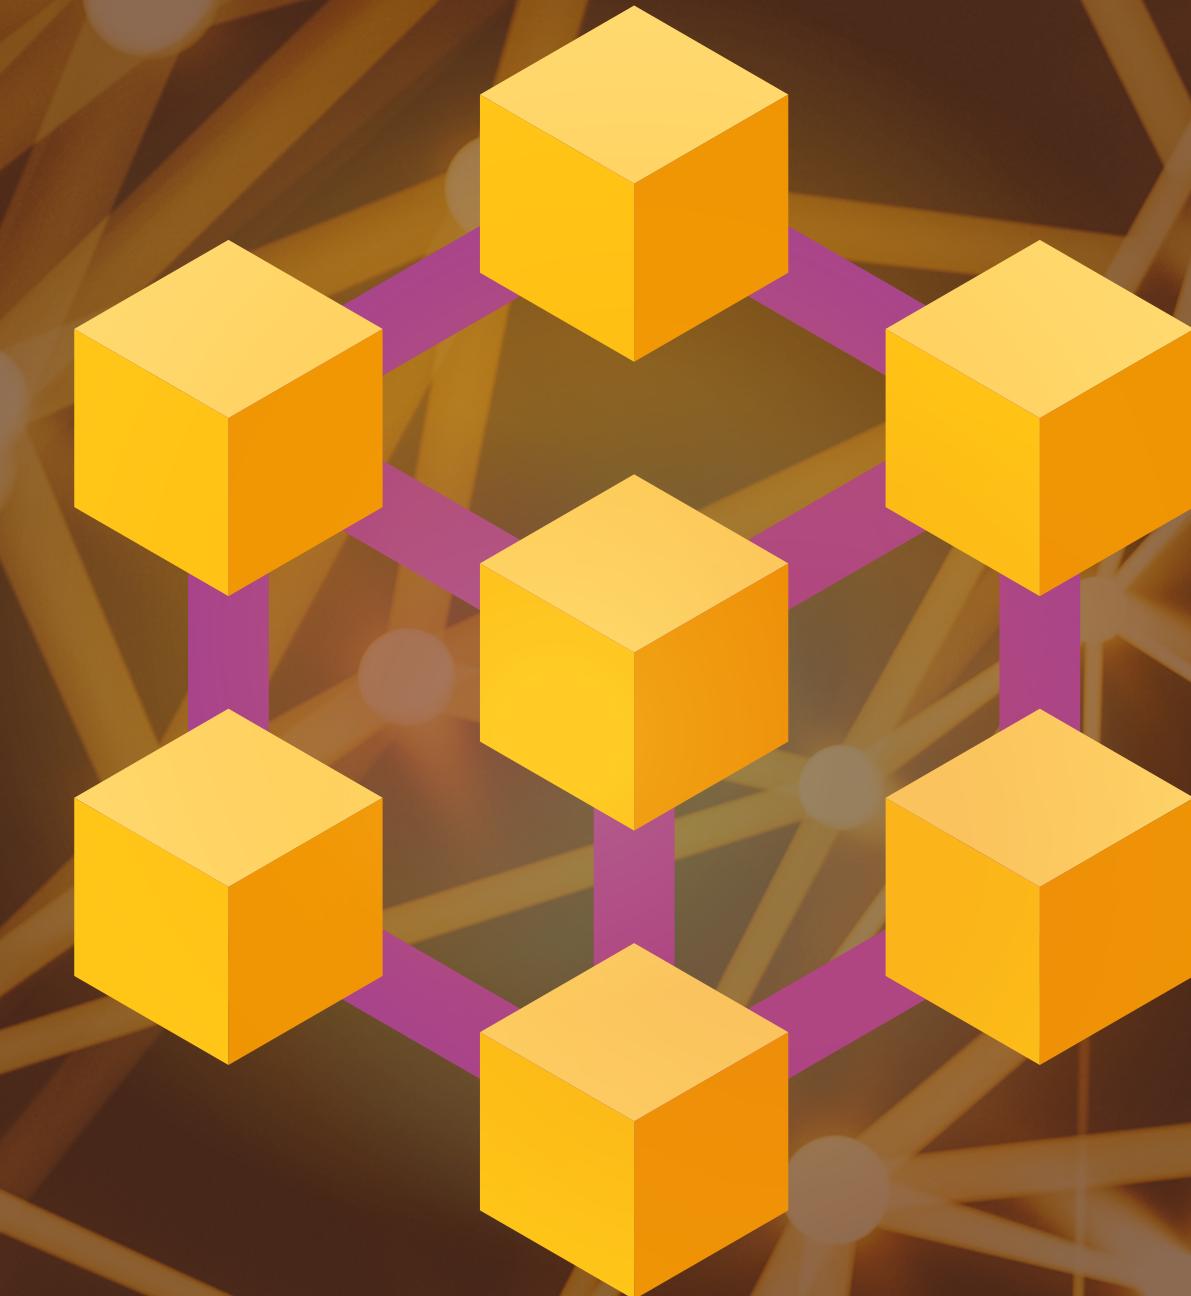

- Certain manufacturers tend to release replicas

THE SOLUTION

DIGITAL TOKENIZATION

INVENTORY TRANSPARENCY

THE SOLUTION

THE SOLUTION

Taste Davao's Greatness
